NEW COUNCIL TAKES OVER TUESDAY NIGHT

THE TOWN RECORD

By MONTE DAYTON

H. Z. WEIBEL, Jeff elementary school district superintendent, revived a long-dead writer last week.

In announcing the speaker for the in-service training session held last Friday, Weibel said it was to be ALEXANDER DUMAS.

Actually it was ENOCH DUMAS of UC.

It wouldn't have been so bad, but the school district made out the check for professional services to Alexander.

How come the altercation between the two well-known DC figure at the Little Italy Hall following election festivities Tuesday night?

Tch, Tch. Such goings on.

CARMEN MORO, local B of A lassie, is going to do something different for her vacation this year.

She'll be Costa Rica bound in June, to visit a cousin who lives there.

"Soon as I get there the rainy season will probably start," she says, "and I won't have any of the right clothes to wear."

She is scared stiff about the long trip, being her first time on an extended journey, but she wouldn't miss it for all the money in the B of A vaults . . . well, anyway, let's just say she wouldn't miss it.

It'll be another youngster for the ED MOSCONIS along about autumn.

That makes No. 2 for Ed and wife. He's the local recreation supervisor.

One DC lady almost cancelled a trip because she was so anxious to get the results on the local election.

She was supposed to leave at 8:15 a.m. Wednesday for LA, and thought the tally wouldn't be final that early.

But she finally got squared away, as the finals came in at 9:30 p.m. Tuesday, one of the earliest times on record and her journey was made without mishap.

Colma fire laddies are jumping the gun on DC's annual widows and orphans ball.

They've scheduled theirs this month, about three weeks before the DC whing ding.

What's more, Colma's ball is $1 a couple admission, while the Daly City firemen are charging a buck a person.

That's hot competition.

Oreste Rocchi Recovering From Suicide Attempt

Oreste Rocchi, 46, of 140 Mateo avenue, was thwarted in a suicide attempt Saturday, by Inspector David Johnston.

Johnston responded to a call from Rocchi's wife, Ada, who reported that her husband had gone to the basement after a domestic tiff.

Rocchi was hanging from the clothesline when Johnson entered the basement. The inspector cut the rope and administered artificial respiration until the arrival of an ambulance.

Rocchi was taken to Junipero Serra hospital and after transferred to Community hospital. He is reported in good condition.

MURPHY IS NAMED TO DC POSTMASTER JOB

Appointment of a postmaster and two other executives for the independent Daly City post office was announced this week.

Vincent Murphy, 37-year-old Broadmoor resident, was named to fill the postmaster position.

Selected as assistant postmaster was Lou Galli of Brentwood, while Huston Holmgren of 48 Belmont drive, Daly City, will serve as assistant superintendent of mails.

Selection of Murphy, an 18-year veteran postal department carrier, marks the first time in the history of the western United States that a civil service career employee has won appointment as postmaster.

Vincent Murphy
. . . Carrier to Postmaster

Murphy lives at 516 Midway avenue, Broadmoor.

He has served the past 18 years working for the postal department in this area as a carrier and clerk. Recently he has been working as a carrier out of the Rincon Annex office.

Murphy has a wife, Viola, and two children, John Patrick, 4, and Margaret Ann, 2. He was a combat veteran in the United States Navy, winning three battle stars during his four years service in World War II. His wife is active in local PTA work and is a member of the board of directors of the Broadmoor Property Owners association.

Murphy is a past president of the San Francisco Local No. 214 of the National Association of Letter Carriers, AFL. He is also a member of the Lake Merced Post, Veterans of Foreign Wars.

He will formally take over the post office on Tuesday, April 20, from Postmaster John Fixa of San Francisco. All employees will remain in their present positions for the time being until re-organization details are worked out by postal inspectors and Murphy.

Galli, 33, has served with the post office department for 15 years. He is a native of Colma and comes from an old family from that area. During World War II he served four years as a captain in the army.

He is married, the father of two children, Keith, 2, and Craig, 5. He plans to settle later in Daly City.

Holmgren is 39, married and also has two children, Vickie, 7, and Ross, 12. He attended San Francisco schools and has been with the postal department for 18 years.

Appointment of two more executive personnel for the local office will take place following official opening of the independent office.

On Thursday, April 22, at 11:30 a.m. Congressman Younger and city and county officials will gather at the post office to formally approve the transition and greet the new postmaster. Following inspection of the facilities, the Daly City Chamber of Commerce, headed by Robert Hunter, president, and Peter Markovich, executive secretary, will stage a luncheon at the Lake Merced Country club honoring Congressman Younger for his work in securing the post office for the city.

Younger announced today from Washington, D.C., that he is pushing the move to secure larger branch facilities for Westlake to take care of the rapidly growing population there. He said this would probably be made as soon as the reorganization of the office is completed.

Local Churches Anticipate Record Easter Attendance

By Louanne Morford

Daly City churches are preparing today for a record number to attend the final Holy Week observances scheduled for Friday, Saturday and Sunday.

Upwards of 5000 persons are expected to pack the local churches and the El Rancho Drive-In theater on Sunday morning to participate in the largest and most important of all Christian festivals.

Sunday's celebration will climax the religious observances which extend from Palm Sunday to Easter. Following the large attendance of worship services last Sunday, most local clergymen are predicting that Easter's congregations will be the largest in recent years.

From Palm Sunday to Easter Sunday the local churches and places of worship throughout the world take part in the largest and most important of the Christian festivals.

Good Friday

Beginning on Friday and continuing through Sunday the most important of the rites will be conducted. Good Friday services will be held in many of the Daly City churches.

Bethel Lutheran church, Alemany boulevard and Huron avenue, will hold Holy Communion during a service beginning at 8 p.m. Subject of the Rev. Herbert P. Schroeder's sermon will be "Crucified on Calvary."

Holy Angels

Holy Angels church in Colma will hold Mass of the Presanctified at 8 a.m. Three Hours Devotion will be conducted by the Rev. John Cunningham from 12 noon to 3 p.m., and devotions will be held also at 7:30 in the evening. Observance of Holy Saturday will be held during two morning services. Robert Rankin Injured By Falling Tree

Seven-year-old Robert Rankin is resting at home today, following a brief hospital stay, treatment for a slight concussion and having 11 stitches in his head.

Bobby, the son of Mr. and Mrs. Robert F. Rankin, 215 Willits street, was injured Monday, when he was struck by a falling tree. The youngster was playing and assisting the Alfred R. Fifes, 259 Willits street, clean up their backyard when a tree which was being cut down suddenly broke loose and fell.

The boy was taken to the Junipero Serra hospital and released after it was determined that his injuries were not of a serious nature.

Robert Hunter To Lead The 1954 Boy Scout Finance Drive

Robert Hunter, local accountant and President of the Daly City Chamber of Commerce, has been named chairman of the 1954 Boy Scout finance campaign in Daly City and Colma. His appointment was announced today by Dr. F. Grant Marsh, district chairman for the Boy Scout organization.

Hunter will be assisted in the campaign by a group of community leaders who will serve as division heads and majors for the various areas of solicitation. The committee will meet next Tuesday noon (April 20) at the Lake Merced Golf and Country Club to map out strategy for the drive, which begins early next month.

Commenting on Hunter's acceptance of the chairmanship, Dr. Marsh, who is Dean of Student Affairs at San Francisco City College, said, "We are gratified that Mr. Hunter will head the 1954 campaign, and I am certain that the work of the Boy Scout organization will receive real impetus from the success of this annual campaign to raise funds.

"It is a real pleasure," he continued, "to know that the leading citizens of Daly City are willing to give leadership to the all-important work of the Boy Scout organization. All of us who are connected with Cub Scouting and Boy Scouting intend to give this project our full support."

Daly City has been part of the Lake Mereed District of the San Francisco Council for many years, according to Scout officials. Since the San Francisco Council receives no support from the United Crusade in San Mateo county, it is necessary for the Boy Scout organization to conduct its own public campaign in this area, which includes Colma.

Money raised is used to provide leadership training facilities and professional assistance for local volunteers in the organization. Part of the funds go into the camp development program, as Daly City Scouts have the privilege of attending San Francisco Council camps in Marin and Sonoma counties.

About 250 Daly City boys belong to the Scout organization, at present, with several Troops and Packs in process of organization.

Following are the votes by precincts, A through S, for each candidate (last six figures for each candidate indicate Westlake precincts):

Local Red Cross Drive Is $9000 Short Of Goal

The local Red Cross membership drive is still $9,000 short of its supplementary fund drive campaign goal according to Mrs. Henry Bostwick Jr. fund chairman.

To date the drive has netted $20,500 of its $29,500 goal, Mrs. Bostwick stated.

"Because the Red Cross was a partner in the United Crusade last fall, when door to door solicitation was used, we eliminated that method when we found we had to conduct an additional campaign to try to make up the deficit of 22% which was not contributed through the Crusade," Mrs. Bostwick said.

Two Arrested On Drunk And Disorderly Charge

Mrs. Faye Evelyn Mitchell, 28, of 328 San Diego avenue and Paul Revere McManus, 715 Washington street, Colma, were arrested Thursday night in Duffy's Corner on a charge of being drunk and disorderly.

Mrs. McManus and her husband became involved in a domestic dispute with Mrs. Mitchell, a housewife, and when the quarrel became more violent the police were phoned.

The hysterical and reportedly uncooperative Mrs. Mitchell was booked, along with McManus and later released on $50 bail.

The event will be held May 15 at the Daly City community center, beginning at 8 p.m.

Music will be by Del Courtney and his band and Courtney will also emcee the show.

Other entertainment will consist of top radio and television stars.

Transit Stolen From Construction Site Of School

The construction site of the Olympia Elementary school was looted Tuesday night and the thief or thieves escaped with a surveyor's transit valued at $200.

Mr. Trollman, employee of Vance H. Brown Inc., owners of the David White transit, said that the item was overlooked when the rest of the tools were locked up Tuesday night and so was standing in the open area of the lot facing on Northgate avenue.

George Cartweight, 264 Northgate avenue, told the investigating officer, Officer Galindo, that he has seen a light in the lot at approximately 9:15 p.m. Cartweight said that he was unable to see any figures in the lot.

COLMA "ELECTION" WITHOUT A HITCH

Colma's election Tuesday went off without a hitch as all the incumbents, unopposed, were returned to office.

Albert Lagomarsino and Ray Ottoboni, received 64 and 48 votes, respectively, to be re-elected to council seats.

Venerable Ed Weisenburger was returned to his position of city clerk with 66 votes, while city treasurer Gilbert Parker garnered 74 votes running by himself for city treasurer.

FOUR JUVENILES CHARGED WITH LOCAL CAR THEFT

Four juveniles are in the custody of police today following arrests made in connection with the Sunday night theft of a 1947 Buick sedan belonging to Owen J. DeVolder, 317 First avenue.

The youths, one 17 and three 16, were arrested Sunday at 4 a.m. by Officer Munday of the Daly City police department as they were sitting in the car at 87th street and Sullivan avenue.

De Volder reported that the car was stolen as it sat parked in front of the 101 Club, 7392 Mission street, Saturday night. According to DeVolder, he parked the car in front of the club at 10:30 p.m., when he returned at 1:15 a.m. the car was gone.

WILSON -- DE BERNARDI -- VICKERS WIN EASILY

The political apple cart was upset in Daly City Tuesday as the three incumbent councilmen, tabbed by many to win handily, were removed from office in a vote that wasn't even close.

Two of the incumbents, James Kennedy and Paul Green, ran near the bottom in the final ballot count.

Mayor Anthony Gaggero was the only incumbent to show any strength, as he came within 200 votes of being re-elected.

Almost half of the votes cast were for Sanford G. Vickers, 42-year-old locomotive engineer. He rang up a total of 2201. In all, 4581 registered voters went to the polls. The strong support for Vickers indicated that he might be the next mayor.

Also piling up high totals were winners Del Wilson and Micheal De Bernardi, both of who were unsuccessful in their candidacy two years ago.

Wilson, a real estate appraiser, was second with 1921 tallies, while De Bernardi had 1883.

Next in order were: Gaggero, 1687; John Drye, 1601; Kennedy, 1487; Green, 1346, and Owen D. English, 983.

Four write-in votes were cast for Joe Lewkowitz, while Ed Stern and Ed Dennis got one each.

The new council is scheduled to meet tonight (Friday) to select a new mayor. The race for mayor is expected to be between Edward Dennis, Joseph Verducci and Sanford Vickers.

The Daly City vote was relatively light, with 43 per cent of the 10,466 registered voters turning out.

Approximately 30 absentee ballots remain to be counted, but they will have no effect on the outcome.

Official canvassing of the ballots will be held Monday night, while installation of the three new councilmen will take place the following night at 8 p.m.

LOCAL DRIVER IN BIG TROUBLE WITH SF POLICE

Ralph D. Ostergren, 26, of 219 Miriam street faces six charges of traffic violations in San Francisco as a result of several mishaps he became involved in on Thursday.

According to San Francisco police, Ostergren reportedly turned the wrong way onto Mason street, a one-way thoroughfare, crashed a red light and hit a panel truck driven by Robert Chardon, broadside. Instead of remaining on the scene, Ostergren reportedly backed away from the wreck, hitting two parked cars in the process and sped down Bush street.

Ostergren was picked up by the police at the corner of Post and Taylor streets where he had collided with the car of Thomas Kim Lee.

Ostergren suffered a fractured left ankle and a nose injury.

Officer John Cassidy of the San Francisco police charged him with drunk driving, felony drunk driving, drunk in and about an automobile, hit-run driving, striking parked and unattended vehicles and driving the wrong way on a one-way street.

Frank Blum Named Chairman Here For Cotton Committee

Frank S. Blum, Daly City attorney and prominent north San Mateo County civic figure, today accepted chairmanship of the Daly City committee for reelection of Superior Judge Aylett R. Cotton.

Blum's appointment was announced by Robert Dell 'Ergo, president of the San Mateo County Bar Association and county-wide chairman of the Cotton Reelection Committee.

" It is a pleasure to work for the reelection of Judge Cotton," Blum declared. "Judge Cotton's great contribution to San Mateo county has been demonstrated during the past two decades while on the superior court bench.

"He is a man of proven honesty and fairness, giving to the superior court of San Mateo county the benefit of many years of valuable experience. This is the reason that an overwhelming number of the county's practicing attorneys have given him their enthusiastic endorsement."

Blum said he has selected a group of prominent people in the fields of labor, youth guidance, business and civic activity to serve on the Daly City committee. Headquarters are being set up to serve the area, Blum added.

BATTERY THIEF SENTENCED IN MUNICIPAL COURT

A teen-ager who lifted seven batteries from the Daly City Auto Wreckers yard at Clark and Valley streets, Colma, in broad daylight Saturday pled guilty to petty theft charges in Thomas Bocci's municipal court yesterday (Thursday).

His accomplice, a 16-year-old, was turned over to the San Francisco juvenile parole board earlier.

Richard K. Ores, 18, of 85 Oneida avenue, San Francisco, was sentenced by Bocci to 20 days in the county jail or a $150 fine and was also placed on six months probation.

Ores and the other youth were apprehended Saturday when Adolph Lund, manager of the wrecking yard, saw them as they loaded the batteries into the back of their automobile.

Lund summoned Broadmoor police, who immediately picked up the youths.

Mayor Proclaims Public Schools Week, Urges Parent Observance

Thirty-five years ago, at the close of World War I, California's classrooms were overcrowded, trained teachers were scarce, and pupils were necessarily being given a diluted fare of learning.

Public Schools Week was launched for the purpose of calling these conditions to the direct attention of the people of the state.

Today the conditions which brought about the inauguration of this observance are with us again. Despite an unprecedented school-house building program and widespread efforts to attract capable young men and women to train for teaching, classrooms are still insufficient and approximately 13,000 teachers are needed to provide for the education of boys and girls of the state.

Because of the similarity between the problems of 1919 and 1954, Public Schools Week this year carries an especial significance. Because of this significance, I urge the people of our community to turn their attention to our schools, to participate in the observance and to learn all they can about the program and the need of education locally during the week of April 26 to May 1, which I hereby proclaim to be Public Schools Week in the local public schools.

Signed: A. J. Gaggero

Sgt. Jack Shipman Takes Part In Iwo Jima Landing

Marine Sgt. Jack L. Shipman, son of Mrs. Dorothy Harold of 35 Eastlake street, landed on Iwo Jima with the 3rd Marine Division during the recent "Operation Flag Hoist."

Nine years and a month after the first landing, the Marines came through the surf and dug out a beachhead in the familiar volcanic ash, amid ruins of World War II. They powered their way inland, directing their attacks against an "enemy" force acted out realistically by the 2nd Battalion, 4th Marines who had spent a month digging in for the "battle."

Following successful completion of the mission—to seize, occupy and defend Iwo Jimo—memorial services were held for the more than 4000 Marine and Sailors who gave their lives in 1945 to take the island for use as an American airbase.

Savage said that he had turned the entire matter over to the Board of Police Commissioners for further investigation. The Board is composed of Val Olsen, Joseph Belli and Harry Brown.

"What they will do with the matter I don't know," said Savage, "I am very happy to be personally finished with it."

The board is scheduled to meet tomorrow night.

Resolution Urging Park Purchase Passed By Council

A resolution urging the acquisition of a 175-acre site for a north county recreational area was passed by the city council at their meeting Monday night.

The proposed park site is at Junipero Serra boulevard and Sneath Lane in San Bruno.

In passing the resolution unanimously Monday night, the council said the site would be ideal for picnics, ball parks, barbecue pits, Boy and Girl Scout functions and family outings.

The council said the site was within easy driving distance, approximately 10 minutes, of Daly City, and would adequately serve the north county area.

Other cities in the north county have passed similar resolutions urging the acquisition of the site. The resolutions will be sent to the county board of supervisors.

Distinguished Service Merits New Term

One of the seeming injustices of our Democratic system is that an official who gives unselfish and distinguished service to his office must obtain a mandate from the voters periodically to continue that service.

Countering this is the American's quiet determination to reward faithful service with a confidence vote.

In this manner he vindicates the voter's power which his forefathers bequeathed him after tremendous sacrifice.

Seeking re-election to San Mateo County's Superior Court Department 1 after 19 years of outstanding service is Judge Aylett R. Cotton.

A man of impeccable character, he has been a dynamic force in the development of San Mateo County—first as mayor of the City of San Mateo and later as judge of the superior court.

The Record has carefully considered the judge's candidacy for Dept. 1. It gives its enthusiastic endorsement to him because of the firm conviction that San Mateo County will gain immeasurably by his continued service on the bench.

Judge Cotton goes to the voters with the recommendation of 175 attorneys practicing in the county courts. Every lawyer of stature in the county is a Cotton supporter.

Twenty former judges in the county have pledged their wholehearted endorsement.

Judge Cotton's support comes from every segment of community life, including labor, industry and agriculture. But vital, we believe, is the overwhelming endorsement by the men who know judges best—the attorneys.

A friend and advisor of presidents and statesmen, Judge Cotton has maintained a deep humility and dedication to his sacred trust.

Judge Cotton's record is a monument to honorable public service —the kind that San Mateo County voters should be proud to endorse for another six year term.

Letters To The Editor

H. H. Smith Congratulates Three Winners

Dear Sir:

May I, through your columns, congratulate the three candidates who have just been elected to the City Council of our city.

My sincere congratulations to you three gentlemen, Sanford Vickers, Del Wilson, and Micheal De Bernardi, on your election to the City Council of the City of Daly City!

You have indeed been highly honored and will undoubtedly render a public service which will merit the honor thus bestowed, and will also justify the confidence that has been placed in you. Before taking office, you will surely recognize that the task which you are about to undertake is a tremendous one, and that in fulfilling your duties you will find it impossible to please everyone. Also, you will doubtlessly be cognizant of the fact that political life is not perpetual, which, as it should be, is the situation under our democratic form of government.

I trust that those who have been relieved of their posts as City Councilmen are aware of the above facts and will therefore accept their retirement in good grace, as being a natural resultant under our system of government. Further, I am confident that those who are departing from office, together with all of their supporters, will unite with the newly elected Councilmen to the end that they may be successful in the arduous task which they are undertaking so that Daly City will continue to progress and be a good place in which to live.

Sincerely yours,
H. H. SMITH

Joseph Sarto Congratulates De Bernardi

To the Editor:

I wish to take this opportunity to congratulate Mickie De Bernardi for the tremendous job he did for the citizens of Daly City in April and May of 1952. He was the person instrumental in circulating the petition directed to the First Assistant Postmaster General in Washintgon, D.C., requesting removal of the Daly City post office from the jurisdiction of San Francisco, and protesting the curtailment of service for the patrons of the Colma post office.

The first fruits of Mickie's efforts will be realized on April 22nd, 1954, when the Daly City post office will be dedicated as a separate entity and Daly City will at last have its own post office.

The citizens of Daly City must still resist the efforts of the postal authorities to curtail the service from the Colma post office. If corrective measures are not instituted within a reasonable length of time, we shall have to take steps to protect our interests.

Again I congratulate Mickie DeBernardi for the service he has rendered.

Joseph Sarto

Says DC Civil Service Workers Underpaid

Dear Editor:

It is true that most of us would not or could not work under a certain scale of wages. Home budgets are so high that two in a household are trying to have to look for part time work to even make ends meet.

I believe our own civil service employees, such as the police, firemen and water department personnel come in the category of being underpaid.

Our city council should consider this very seriously for betterment of Daly City government.

Respectfully,
JOSEPH LEWKOWITZ

Candidates Extend Thanks To Voters

Successful and unsuccessful candidates in Tuesday's election today extended their thanks and appreciation for the support given them at the polls by Daly City voters.

John B. Drye, who missed being elected by some 200 votes, said: "I would like to take this opportunity to congratulate the newly elected councilmen. The people of Daly City should be proud of their selection.

"To those voting for me and canvassing in my behalf I express my sincere appreciation. It is my conviction this election has brought about a closer relationship with the people and civic officials of Daly City."

Micheal De Bernardi, who was elected to the council, said: "It is with deep sincerity and humility that at this time I express to my many supporters and voters heartfelt thank. I shall endeavor, in the next few weeks, to get around personally to thank you all. I would also like to thank THE RECORD for their fine articles."

Sanford G. Vickers, who polled the highest vote to win a council seat, said: "I am overwhelmed by the confidence the voters have shown in my behalf. I will strive to merit the support which has been given me by Daly City residents.

"I plan to start immediately with the business of bringing Daly City good government. Now that the election is over it's up to us newly elected councilmen to proceed with action, not words."

The other candidate elected, Del C. Wilson, said: "I sincerely wish to express my thanks and appreciation to all sponsors, voters and endorsers who have trust and confidence in me. My object is to serve the people, not so much in words or promises, but in action.

"This is your city. Take pride in it. Help me to help pourselves by coming to council meetings to express your views and opinions."

Safety News From Your Local Police

PEDESTRIANS: Rate yourself. Mark statements "Yes" or "No."

I always walk from the safety zone to the marked crossing, not to the sidewalk.

I always walk, never run across the street.

I always walk on sidewalks, never in the roadway.

I always obey traffic lights.

I always close my umbrella before crossing.

I always rely on myself, not on those before or behind me in the crossing.

I always aim to avoid an accident.

I always have my purchases securely held.

I always glance to my right and my left before stepping off the sidewalk.

I always see that my view is unobstructed.

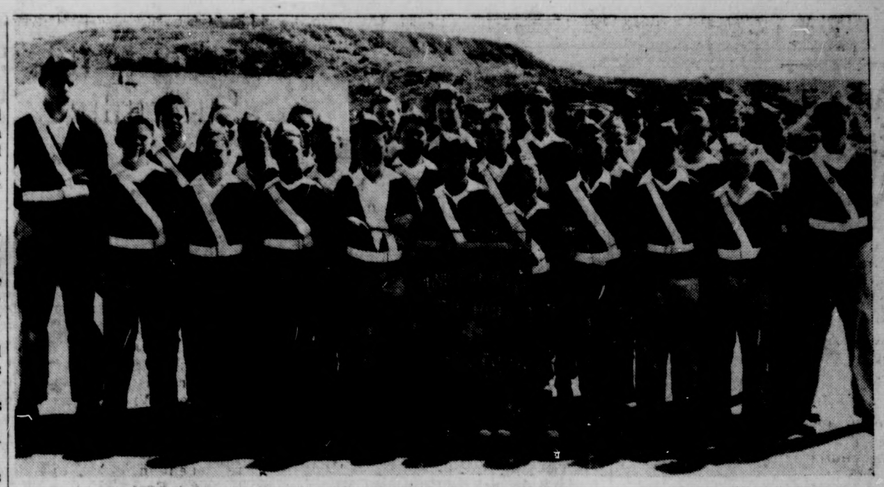

I always remain on sidewalk until fire or police or ambulance siren ceases, or such vehicles have passed.

I always remember it is easier for me to stop than it is for a driver to stop his car.

Walk Carefully

The cities with the lowest pedestrian fatality rate are the ones in which traffic regulations are strict, and people have learned to obey them. Make it a habit to walk safely by paying strict attention to the laws governing pedestrians.

New CCSF Building Dedication, April 25

Cloud Hall, new $2,500,000 classroom and library addition to the campus of City College of San Francisco, will be dedicated at ceremonies on Sunday, April 25, Dr. Louis G. Conlan, president of the college, stated recently.

The building, named in honor of President Emeritus Dr. A. J. Cloud, contains a large library, ample lighting facilities and the soundproofed class rooms.

First level of Cloud Hall will house the business department. The architecture, drafting, engineering and audio-visual departments will occupy the second level.

My Mad World

By Leonore Brewer

Perhaps you've noticed that above the gloomy forebodings of some business groups the jubilant cries of the record companies arise to tell all who may be interested that they've never had it so good. Moreover, year by year a greater percentage of this multi-million dollar business is derived from what are popularly known as "classical" records. This is certainly very encouraging to one who has always been interested in this type of music, but what this writer would like to know is—where do the records go after they leave the record shop?

Tenuous Relation

We feel that we have a speaking acquaintance with just about as many people as the next person, and during the past twenty months have had a tenuous relationship with those whom, in an occasional moment of vanity, we like to term "our readers." We have even met some of you, and during the idle chit-chat which occupies the time of casual acquaintances we seldom fail to bring up the subject of music and records. Each time we have eagerly waited for your eyes to light up with enthusiasm. With one or two exceptions, we are still waiting.

We have been criticized as having too limited a taste, because we specialize chiefly in opera. True, our collection is heavy on the operatic side, and Italian opera almost exclusively. We keep talking about beginning a Mozart wing or a modern wing, but then a new Verdi or Bellini or Donizetti is issued, and all our resolutions vanish in a puff of talk, and "Don Giovanni" and "Wozzeck" remain as far away as ever.

Money Goes So Far

Perhaps you have searched this column week by week, hoping that we will at least bow politely to Wagner, symphonic works or some of the great individual artists of yesterday or today. Possibly our seeming lack of interest in many of the other types of music has proved annoying. If so, just remember this basic economic fact—money goes just so far, and if you are collecting records it never goes far enough.

Perhaps you have come up against this problem. Perhaps your collection is heavy on symphonies; perhaps you lean toward the French operas; perhaps you have the largest single collection of Luisa Tetrazzini recordings in this area. And perhaps you too have been criticized because your prime interest has crowded all but a sprinkling of other works off your shelves. Like us, you are interested in the others, but alas, economic necessity forbids serious collection.

If you feel that your musical circle could be widened, call me at PL. 5-2847. After six in the evening, please, and weekends, of course.

First Seder For Westlake Temple Sunday, April 18

The "First Seder" ever to be held by Westlake Temple Group since its inception in March, 1953, will be presented this Sunday evening, April 18, at 6 p.m. on the second night of Passover.

This historic event is scheduled to take place at The Mart club, ninth floor of the Western Merchandise Mart, 9th and Market streets, San Francisco.

Rabbi Wolli Kaelter and Cantor Harold Wachter will officiate. Special arrangements have been made under the supervision of Mr. Alan D. Kurtz, manager of the Mart club, for the preparation of the traditional Passover dishes and an excellent dinner.

The observance of Passover by the Westlake Temple Group is also scheduled to take place at a "Family Service" on Sunday morning, April 18, 10:30 a.m., the "first day" of Passover, at Congregation B'nai Israel, 67 Los Banos avenue, Daly City. Rabbi Wolli Kaelter and Cantor Harold Wachter will officiate. All grades of the Sunday school, except the kindergarten, are expected to attend this service with their parents. Classes will not be held at the Music school this Sunday morning.

Regular services will be held this Friday evening, April 16, 8:15 p.m., by the Westlake Temple Group at Congregation B'nai Israel, 67 Los Banos avenue, Daly City. Rabbi Wolli Kaelter and Cantor Harold Wachter will officiate. Reception following service.

According to Ed Mann, chairman, only 88 more days remain to put the "Westlake Temple Building Fund Drive" over the top. All who have sold tickets are urged to get the money and stubs in now.

Also, Bert Rosenthal announces that the deadline for ads for the Souvenir Book is set for April 25. Everyone's help is vital to the success of this drive and the satisfaction derived from your contribution, whether financial or physical, will be without bounds!

"The knowledge of your contributing a share and putting your shoulder to the wheel so that our children will have a Religious school and our families a place of worship will serve as an inspiring memory and blessed deed in years to come," Mann said.

Contact Ed Mann at PL. 6-0223, Bert Rosenthal at LO. 4-4864, or Cantor Harold Wachter at PLaza 5-8855 to volunteer. All checks should be mailed to the Westlake Temple Building Fund, 128 No. Mayfair avenue, Daly City, 25.

To All Daly City Residents

BELOW IS WRITTEN IN ENTIRETY THE PETITION WHICH WAS SIGNED BY 3700 DALY CITY-COLMA RESIDENTS IN MAY AND JUNE 1952. IN THIS PETITION RESIDENTS OF THE AREA PROTESTED THE THREAT TO MOVE ACTIVITIES OF THE COLMA OFFICE TO THE DALY CITY OFFICE — THUS CURTAILING SERVICES. NOW THIS VERY CURTAILMENT OF SERVICES AT THE SOUTHERN END HAS TAKEN PLACE WITH THE ESTABLISHMENT OF THE NEW INDEPENDENT DALY CITY OFFICE.

To:

The First Assistant Post Master General, Washington, D.C.

We, the undersigned, being residents of Daly City and Colma, do hereby petition for the removal of the Daly City and Colma postoffice from the jurisdiction of the San Francisco Postoffice, thereby entitling the Daly City Postoffice to a separate cancellation stamp which would be beneficial to the businesses of Daly City as well as to the patrons of this postoffice.

We also protest the curtailment of carrier services by the proposed transfer of all carrier activities now handled by the Colma Postoffice to the office at Daly City. Such transfer would seriously inconvenience the present patrons of the Colma Postoffice due to the location of the Daly City Postoffice, where a one-way street coupled with inadequate parking facilities and traffic impediment by the three-way signal on Mission street makes the present Daly City Postoffice quite inaccessable. The very rapid growth of our area should entitle us to expand rather than curtail service.

AS IT NOW STANDS -- THE INDEPENDENT POST OFFICE IN DALY CITY IS

Directly Contrary

TO THE WISHES OF NEARLY 4000 LOCAL RESIDENTS

YOUR NEIGHBORS AND MINE

By Betty Brush

HELLO, NEIGHBORS:

Here's your column again: The Lenten season is just about ended and Sunday will bring us that day of days—Easter. It really doesn't make too much difference which church one attends on this great day, but we should all attend the church of our choice. There will be services in all churches at many different times so that it should be convenient for one and all to go at some time or another during the day. A Happy Easter is wished all the folks from "Your Neighbors and Mine."

Little JOYCE CAMBRIDGE gave her parents, SALLY & JACK CAMBRIDGE, quite a scare recently when she fell down the back stairs of her home on Thiers St. She suffered a slight concussion; however, all is well now and it is good to see her up and out playing again.

All is joy and cheers in the home of MR. & MRS. MILAN STANLEY of Citrus Ave. these days. A new brother has come to join MIKE aged 9, ALAN aged 5, and BRIAN aged 2½. The young man who checked in at 8 lbs. 15 ozs. has been named STEVEN MERRIT and all they need now is one more and they'll have their basketball team. Congratulations to all on the new baby.

MR. & MRS. KELSEY BOWEN of our town really had something to celebrate the other day. It not only was their 24th wedding anniversary but also the birthday of MRS. LILLIAN BOWEN. This occasion was celebrated in a gay manner on April 9 and a good time was had by all the family and friends who gathered to help them celebrate.

ITEMS OF INTEREST

More of the neighbors decided to get in the last minute winter sports. The VAN AKENS and the J. WALLS spent a grand weekend in the snow at the Sugar Bowl recently. Outside of a big blizzard all turned out well and a good time was had by all. It takes more than a blizzard to slow down the fun of these folks.

The JOHN ORNELLASES of Abbott St. had quite a hectic weekend when their son, JAY, suffered a convulsion and serious virus infection. As has happened so many times before when people need help, they called on the boys of the DALY CITY POLICE DEPARTMENT. Thanks to them and their very prompt action Jay and his dad were rushed to Junipero Serra Hospital and thence to St. Mary's Hospital. Little Jay is coming along nicely although he is still in the hospital as I type this, he is expected home soon. His parents would like to take this opportunity to sincerely thank the boys of the police department for their kindness at that time.

MR. & MRS. AL CAIME of Abbott St. have moved to San Bruno. Before leaving MRS. LIL CAIME was guest of honor at a farewell dinner given her by the Friendly Neighbors Club of which she was a member. The ladies enjoyed a grand dinner at the Good Earth, after which they adjourned to the movies. The folks are all sorry to see them leave us but the best of everything is wished them in their new home.

MR. ED EMERSON was guest of honor at a dinner given in honor of his 77th birthday at the home of his daughter last Saturday. His birthday was April 9 and hers was April 10 so it was quite an occasion, especially, as his great grandson DAVID was there to sleep throughout the whole day.

A silver wedding anniversary was celebrated in our town last week. MR. & MRS. C. R. STEWART, having completed 25 years of happily married life, they were taken out to dinner by their family, MR. & MRS. MERWIN STEWART and MITCH and HELEN STEWART. Congratulations and all best wishes for many more years of happiness are wished them from all the folks.

Company arrived recently at the home of MR. & MRS. CHET ALMONSON recently. They entertained his folks, who were visiting from Minnesota, and showed them all the points of interest as well as a good time. All the hustle and bustle are now over and things are back in their old routine, the folks having left for home after an enjoyable visit.

The sympathies of all the Friendly Neighbors are extended to the family of OWEN MacNEALY on the passing of his father last week. While not too well known in our town, he was loved by all who were privileged to know him.

A big event in the life of a little boy has finally taken place. After much waiting and anticipating, little DOUG URTONUS has finally parted with those nasty old tonsils that have been causing him so much trouble. Of course it wasn't quite what he expected but he is now home and feeling fine again.

SERVICEMEN

Sure and it's a grand day when the boys come home. Every one of us with someone in the service knows with just what anticipation one awaits the coming of a boy, even if he is someone else's son, but when he is your own—that is the day. A2/c JIM BRUSH of the U.S. Air Forces at Amarillo, Texas, loaded up the car with wife ALLEEN and son DAVID and came home to spend ten days with us. It has been almost a year since they have been home and it looks like this will be the last time for a very long time before he gets home again. He will have lots of company where he is going as most of the boys he knows are already there.

Another of the boys has left the States for duty overseas. PFC DEAN PATTERSON of the U.S. Army left us Sunday for Alaska. His wife, Betty, will follow as soon as arrangements can be made at his base. All best wishes go with these two youngsters.

Texas really let the boys from home have their furloughs this month. A2/c SYL CRUZ, JR., is the third boy from Texas that arrived home in the past week. The best part of it, as far as Syl is concerned, is that Syl expects to return to Texas in a few weeks and then spend a month there and get his DISCHARGE! Syl has earned it, though, having spent quite a long time in Korea and other places.

Heard from the U.S. Marines, too, this week. PFC RONNIE SPECHT of our town and the Marines, of course, writes that all is well in the 1st Marine Air Wing. He has just returned from duty as a radar man on a tiny island near Japan and is now enjoying a period of well deserved rest and recreation before resuming duty in Japan.

MRS. WILLIAM VALENTINO had one of those phone calls this week. A2/c WILLIAM VALENTINO of the 44th Bomb Wing, stationed at Lake Charles Air Force Base, Louisiana, called to let her know that he would not be home on that furlough he was expecting in a few weeks. Why? He is now in Africa as an Assistant Crew Chief on one of the big planes belonging to Uncle and we will have more news as soon as he can get a letter home to us.

Another of the fellows has joined the Marines. BOB DE BERNARDI, son of MRS. T. BLANCO of Broadmoor, is in basic at Camp Pendleton and Camp Mathew learning all the fine arts of self defense. Bob follows in the footsteps of a long line of boys from home who have left Camp Pendleton and are spread all over the world. Good luck, Bob, and all the best wishes of the folks go with you.

Home on a weekend pass from the U.S. Army at Fort Ord was PVT. DON GILMAN. He came home looking fine, as do all the boys, after having been in a few months. His family and many friends were most glad to see him but, according to him, there aren't too many of the fellows left at home any more. Don't feel too bad, Don, one of these days all of you will be home and can get together again.

NEWS AND VIEWS

This article is a reprint at the request of many of the neighbors. GOOD FRIDAY. That great day which all creeds honor and respect is here again. What does Good Friday mean to the SERVICEMEN ALL OVER THE WORLD? Christ died on Good Friday. How many others will die for the world as Christ died for it? Will their sacrifices be appreciated any more than His was? How much does Easter really mean to each and every one of us? There is a time to born—a time to live and a time to die: a time to laugh—a time to cry—a time to work—a time to play—a time to be young and a time to be old. It really matters very little where or when we are born or in what manner we die—but how we have lived our lives and for hat purpose we gave them. Let us all remember this Good Friday, that there are many who wanted to live as He did, but who will die as He did on Good Friday, that we may live. They are young as He was young—theirs is the glory of Resurrection as His was on that glorious day of Easter Sunday. May His prayer be ours—PEACE. They give their lives . . . can't we give just one pint of our blood? It is so little in comparison to what they give for us.

One of the home town boys has gone into business for himself. MR. JOHN COMPANI, who was born and raised in our town, has opened his own plumbing shop after many years as a journeyman plumber with many of the best contractors here and on the peninsula. Many of the neighbors will remember Johnny and his family who used to live on Los Banos avenue. Fact is, his mother was one of the really old-time residents who settled here right after the 1906 fire and earthquake in San Francisco. Remember, folks—for the best of service in plumbing, call Johnny Compani at 4560 Mission street and receive service with a smile and renew old acquaintances with one of the neighbors.

All the friends and neighbors in the Theta avenue area are most sorry to hear that FRANCIS "MUTT" STONE has been most ill lately. Seems he has had quite a bad infection in his leg and it has really slowed him down. We all hope that he will be back in circulation very soon. In the meantime, take it easy, Mutt, it could be worse.

April the 10th was really the day for the folks to have birthdays on. Seems there were three of them who all decided to celebrate that day. MRS. DOROTHY STONE was surprised by a family dinner attended by children and grandchildren, JOHN MADDEN who is a star athlete at Jeff was honored at a dinner by all his family and MR. H. MARKGRAF was really surprised by a family get-together in honor of the occasion. Too bad they couldn't all have gotten together for the occasion and really had a party. Nevertheless, a happy birthday is wished them from all the neighbors and maybe someday they will.

Well, neighbors, another column has come to its end and there is certainly a mixture of news for all in it. The circle of phone calls is widening and I am most happy to hear from each and every one of you each week. Remember, the phone is PL. 5-6482 and I'll be waiting to hear more news from many of you. Until next week, then, Happy Easter, and 'Bye now.

NEW BOY SCOUT TROOP PLANNED FOR DALY CITY

Plans for a new Daly City Boy Scout troop were made at a meeting of a group of parents at the War Memorial Community Center Monday night under the chairmanship of William Bradshaw. Bradshaw is to be the scoutmaster of the new troop.

Current plans include making troop 63 a companion unit to pack 63. Such an arrangement would permit cubs from pack 63 to "graduate" into the scout unit.

First meeting of the new troop will be held this Friday at 7 p.m. in the Community Center.

Doctrine Of Atonement Theme Of Christian Science Easter Text

Man's spiritual unity with God, as taught and lived by Christ Jesus, will be brought out at Christian Science services Sunday at Sharp Park in the Lesson-Sermon entitled "Doctrine of Atonement."

Keynoting the Lesson-Sermon is the Golden Text from I Timothy: From the Bible the following verses will be among those read: "Therefore if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation; . . . Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God." (II Corinthians 5-17,18,20.)

St. Ignatius Tops Jefferson Ball Club

Scoring three runs in the sixth frame, St. Ignatius pulled ahead to whip the Jefferson High School varsity nine, 6 to 3 yesterday (Thursday) in a practice game.

Dan Bertelli worked on the mound for the Indians for six innings, striking out five men and walking three. Two of the walks came in the sixth frame, and coach Lou Martin was forced to relieve Bertelli.

Don Delbon came in as the Ignats pushed across three tallies.

The Indians scored their runs in the first and third frames, getting one and two, respectively.

Only extra bagger for the local club was registered by second sacker Leo Villar, who got a double in three trips to the plate.

The locals got five more hits, all singles.

Washington High school was the victim this week as the Jefferson Indians nine dumped the San Franciscans two straight practice games, winning 7 to 2 in the opener, and 8 to 7 in the nightcap, which went eight innings.

The Jeffs collected six hits in the opening contest, while they busted loose for 13 in the second tilt.

FORD, BESSELINK ENTER SF GOLF TOURNAMENT

Doug Ford, winner of last week's Greensboro, N. C., Open, and Al Besselink, winner of the 1953 Las Vegas Tournament of Champions, yesterday wired acceptances to play in the coming $10,000 San Francisco Open Invitational golf tournament in Daly City, entry chairman Bob Mann announced.

Ford defeated Marty Furgol in a special playoff last Monday. Meanwhile, general chairman Bob Cardinal is in Augusta, Georgia, for the Masters tournament to talk personally with the nation's outstanding golfers regarding their appearances in the San Francisco open, scheduled at the Lake Merced Golf and Country Club April 30, May 1-2.

Before leaving, Cardinal said: "We already have a good field lined up for the San Francisco Open, but we want to make the field a truly great one."

Bob Toski, recognized as one of the coming golf stars of the United States, became the second "big name" pro golf star to enter the coming $10,000 San Francisco Open Invitational golf tournament, entry chairman Bob Mann announced.

Toski, recently selected to play in the Masters Tournament this week, has been shooting sensational golf in recent weeks. He tied for first in the 1953 Crosby tournament, won the $15,000 Hartford Open, took the Havana pro-amateur title in 1953, and then last week won the Azalea Open.

He was one of two golfers selected by the PGA (the other was Bud Holscher) as special entries for the Masters tournament. The two were selected because they had the "best scoring records on the winter circuit."

First "big name" entry for the tournament, sponsored by the S.F. Junior Chamber of Commerce, and scheduled April 30, May 1-2, was Cary Middlecof, the "golfing dentist."

Sale of booster tickets will close within a week, ticket chairman Floyd Carley said. They are on sale at most bay area golf clubs; Roos Bros., S. F. Junior Chamber of Commerce, sponsors of the tournament; Leopard Cafe; Stewart Chevrolet Co.; and Styles Furniture Co.

THUR MEAT CO. WRAPS UP BOWLING LEAGUE CROWN WTH THREE WINS

Thur Meat Co. clinched the Daly City-Colma Bowling league championship Tuesday night by tripping up Pearson & Rector for three straight games.

With one more week to go in the six months of competition, Thur now has 53 wins, 34 losses. Even if they dropped all three games in their final outing they would still annex the crown. In second place is Carlos Pizzeria, with a 49½-37½ mark, one-half game away from a mathematical chance at the championship.

Carlos will battle for second place honors with Kennedy Electric, who sport a 49-38 record.

In addition to Thur, other three game winners Tuesday were Homes by Sterling and the Orphans. Daly City Eagles were the Orphans' victims, while the Sterling crew shut out Brisbane Lions who seem doomed for last place again this year.

The Pizzeria gang moved into second place by virtue of a double win over Vince & Fred, who are also hovering at the cellar level.

Had Carlos made a sweep over V & F, they would have still been in contention for the league crown.

Picking up individual honors for top game and series was Home by Sterling's Dick Keefer, who rolled a 611 trio and a 231 game.

Babe De Luca was runner-up in the series department, with a 604.

Following closely for high individual game were Paul Bruch of Lombardi's, 223, and Al Wright, Ralph's Cleaners, 223.

Adeline Market racked up 2575 for high team series. Carlos Pizzeria claimed high team game with an 890.

STUDINGER WINS GOLF CLUB CHAMPIONSHIP

George Studinger, who carries the lengthy moniker of "The Old Man of the Mountain," lasted out the grueling 54 holes last week at the Lake Merced Golf and Country club to claim the club championship.

In the semi-final he decisioned Ed Castagnetto, one up, and went on to another one-up victory over Sherman Selix in the 36-hole finals.

No greenhorn on the greensward, Studinger was winning tournaments back in 1928. In annexing his latest crown, he was only three over par for the course.

Flight results:

President's flight—Stan Sobel d. Russ Cline, 4-3.

Balkan flight—Mike Jacobs d. Ferd Lachman, 1 up.

MacRae flight—Sam Ladar d. B. Antroccoli, 1 up.

First flight—Bob Naify d. Mike Lenihan, 1 up.

Second flight—Mike Casentini d. Harry Applebaum, 6-4.

Third flight — Dr. Maurice Groper d. Dr. Irv Schwartz, 1 up.

Fourth flight—Pete Williams d. Sam Cohn, 3-2.

Broadmoor Gym Construction To Start Within Month

An $18,000 gymnasium for Broadmoor will get underway within a month, the Broadmoor Property Owners association announced this week.

The building will be located adjacent to the community center, which is at 714 White street. Financing of the project will be done through the association's funds.

Jim Elinendorf and John Klein, architect and engineer, respectively, for the job, said that they would submit preliminary plans for the building at the May 14 meeting of the association.

Following final approval of the plans, the job will be completed in 60 days.

Architectural fees on the building will run $900, the association board learned at their regular meeting Thursday night.

The gym will be of cement block construction and will accommodate community sports and social activities, the board announced.

Chairmen of the project are association members Vincent Cauchi, Ernie Scott and Grant Holman.

In addition to presentation of the gym plans to the board and property owners at the May 14 general meeting, election of board members will be held.

Those whose terms expire at that time are Joseph Belli, Jack Baker and Herb Stettler. Officers remaining with two years to serve are Leroy Krueger, Cauchi and Holman; those with one year: Ann Read, Ernie Scott and V. Murphy.

Mrs. Rena Costa will continue as the association's bookkeeper.

At the May 14 meeting, the association will invite state and county political candidates to appear and meet the members of the group.
